

PORTLAND: TRANSPORTATION AND BAGGAGE INFORMATION

Location: Campers fly in and out of the Portland International Jetport.

Time: Please try to schedule flights that arrive in Portland between 11:00 am and 4:00 pm. on June 24th. Departing flights should leave between 6:00 am and 9:00 am on August 12th.

Arrival: The Portland airport is a small facility with only one security exit. We will have uniformed counselors at the airport all day. One counselor will be stationed at the security exit to meet incoming campers.

Baggage: Campers may bring one small carry-on with them on the plane. The rest of their baggage may be checked or shipped via Camp Baggage (www.campbaggage.com). Be sure that all bags have a clear identification label. Please remember that storage space is scarce in the cabins and campers are limited to two large duffels or suitcases. Excess belongings will be put in storage.

Cell Phones: We know many of the girls will have their cell phones with them so they can stay in touch during the ride to camp. Since we do not allow cell phones at camp, we will collect them upon arrival and put them in our camper safe for the summer. Please do not provide more than one phone to your daughter.

Dress: Have campers wear comfortable clothes and shoes and bring a sweater for the plane.

Meals: Please pack a snack for your daughter if she will be flying at meal time.

Medication: Medication should be sent to camp prior to the day of departure. If you must send medication with your child, please notify us in advance, so we can pick it up from her when she arrives at camp. Please let us know if your daughter has been exposed to any contagious diseases within 3 weeks of reaching camp.

Notification: You will receive a call from camp when your daughter has safely arrived.

Questions: Please call 207-452-2901 if you have any questions.

If your plans change, contact us immediately at 207-452-2901.
